

THREE10 ATHLETES SHINE AT 2026 ONTARIO SUMMER GAMES

August 10, 2026

Waterloo, Ontario, July 31 - August 2, 2026: Three10 Table Tennis Club made a strong impression at the 2026 Ontario Summer Games, with eight athletes competing over three days and bringing home an impressive 18 medals across singles, doubles, and mixed doubles events.

Held every two years, the Ontario Summer Games brought together more than 60 Ontario table tennis athletes, providing a highly competitive provincial stage for young players from across the province. Three10 athletes were represented across multiple age categories, with seven of the club's eight athletes reaching the podium.

Strong Results Across Multiple Age Categories

Cindy Zhu delivered an outstanding all-around performance, collecting five medals across four different age categories:

- Gold - U13 Girls' Mixed Doubles
- Gold - U18 Girls' Doubles
- Silver - U13 Girls' Singles
- Bronze - U15 Girls' Singles
- Bronze - U18 Girls' Singles

Cindy's results demonstrated her versatility and ability to compete successfully across a wide range of age groups. From U13 through U18, she consistently reached the podium in both singles and doubles competition.

Daniel Liang had a perfect tournament record on the podium, capturing four gold medals:

- Gold - U13 Boys' Singles
- Gold - U13 Boys' Mixed Doubles
- Gold - U15 Boys' Singles
- Gold - U15 Boys' Doubles

Daniel's four titles made him one of Three10's standout performers at the Games, with victories across both singles and doubles events and in two different age categories.

Wendy Liu also enjoyed a successful Ontario Summer Games, earning three medals:

- Gold - U18 Girls' Mixed Doubles
- Gold - U18 Girls' Doubles
- Bronze - U18 Girls' Singles

Wendy reached the podium in all three of her events, including two gold-medal performances in doubles.

Tiffany Zhan added three medals to Three10's total:

- Silver - U13 Girls' Mixed Doubles
- Bronze - U13 Girls' Singles
- Bronze - U15 Girls' Doubles

Three10 also had a strong showing in the U18 Boys' Doubles event. Adrian Girbea and Thomas Wang earned silver medals, while Jack Qiu captured bronze.

18 Medals for Three10

Across the three days of competition, Three10 athletes combined for 8 gold, 4 silver, 6 bronze, 18 medals total.

The results showcased the depth and versatility of the Three10 club program, with athletes reaching the podium in singles, doubles, and mixed doubles competition.

The club's medalists also represented a wide range of age categories, demonstrating the continued development of Three10 athletes at different stages of their competitive careers.

While seven of the eight Three10 athletes earned medals, the participation of the entire group contributed to the club's strong presence at the Games. Competing at an event of this level provides valuable experience and opportunities for every athlete to test themselves against some of Ontario's best young players.

A Special Event

The Ontario Summer Games are held every two years, making the event a significant opportunity for young athletes to compete in a major provincial multi-sport Games environment.

With more than 60 table tennis athletes competing in Waterloo, the tournament provided a challenging field and a valuable experience for Three10's athletes.

For the club, the Games were another opportunity for its athletes to gain high-level competitive experience, challenge themselves in different events and age categories, and continue building toward future provincial and national competitions.

A Team Effort Behind the Success

The performances in Waterloo were the result of more than just what happened at the tournament. The entire Three10 coaching staff played an incredible and important role in the success of each athlete.

Through their ongoing training, technical guidance, preparation, and support, the coaches have helped the athletes develop the skills and confidence needed to compete at a high level. Their commitment throughout the season and during competition was an important part of Three10's success at the Games.

A special thank you goes to coaches Jessie and Justin, who supervised and supported the athletes throughout the three days of competition in Waterloo. Their dedication ensured that the athletes were prepared, supported, and focused throughout the Games.

The 18-medal performance was truly a team effort, reflecting the hard work of the athletes, coaches, families, and everyone behind the Three10 program.

Looking Ahead

The 2026 Ontario Summer Games provided another successful chapter for Three10 Table Tennis Club. With 18 medals, eight participating athletes, and podium finishes across numerous events and age categories, the club demonstrated its continued strength at the provincial level.

Congratulations to all Three10 athletes for representing the club in Waterloo, and to the coaches and supporters whose dedication helped make the Games such a successful experience.
